## Hamilton

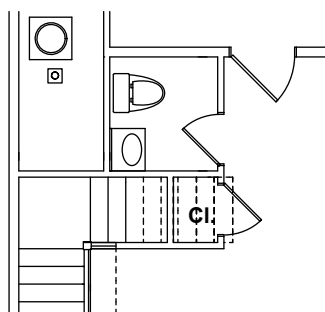

Set on the privacy of the community's alley courts, The Hamilton was designed for those with a discerning taste. It's staircase takes you upstairs where you will relax and enjoy your mornings in the light filled designer kitchen. The extravagant appointments continue. Included in this stylish plan are two generous bedrooms to compliment an owner's suite featuring a sitting area, walk in closet, and contemporary luxurious bathroom. Custom features include a formal dining room, a fourth bedroom in the lower level or loft, and a choice of kitchen locations. Finish the lower level and create a multi-purpose space for exercise, storage, entertainment, or a media center.
