Washington

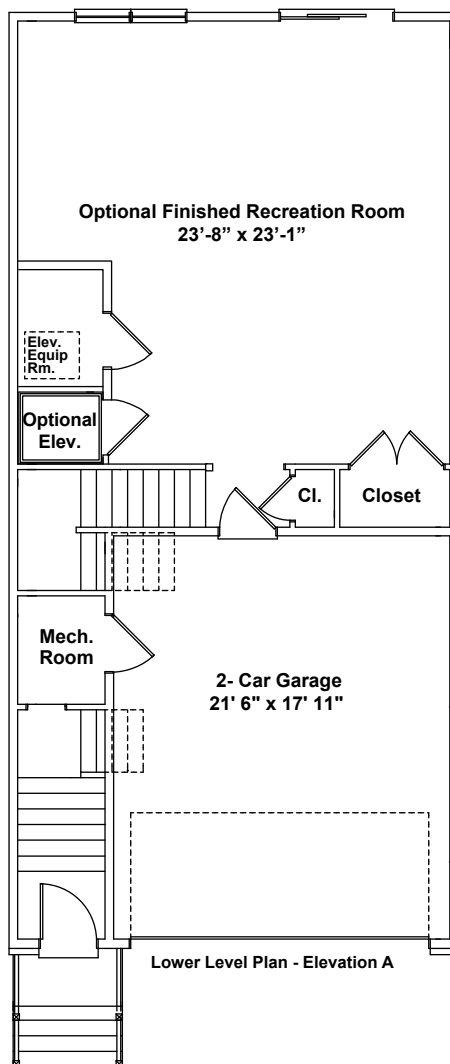

Generally situated on the most desired homesites, The Washington is designed with the perfect touch of elegance, flexibility, and grace. Navigate this expansive home via the dramatic main staircase or the optional elevator. The two-story dining and family room features soaring ceilings and light filled window walls. The kitchen has all of the designer appointments a chef could want. Whether you desire for it to be located on the first or second floor, the owner's retreat features a spa-like bathroom design, and spacious walk in closet. The second floor has up to three generous sized bedrooms awaiting your family and guests, with the ability to overlook the foyer and the family room. If you wish, the lower level can step out to your rear yard and accommodate a recreation area, additional home office, exercise room, bedroom or media room.
